

ASSOCIATE MEMBERS OF MINNESOTA MAIN STREET - REGISTRATION FORM

THE DIFFERENCE BETWEEN "DESIGNATED MN MAIN STREET COMMUNITIES" AND "ASSOCIATE MEMBERS"...

Designated Minnesota Main Street Program - This is a local commercial district revitalization program that uses the Four-Point approach, has broad community support, paid staff, and meets (or will soon be able to meet) other standards.

Associate Member Community of Minnesota Main Street - This may range from a community just learning about Main Street with a group of volunteers to a long-standing downtown development group with years of success under its belt.
